

## What is Kan Be Healthy Physical?

**Kansas Medicaid recipients**

**A Kan Be Healthy Medical check-up includes**

- **A complete health history**
- **A physical exam with a growth and diet check**
- **Appropriate shots according to age and health history**
- **Health tips for both parents and children**

Encouraged at birth, 1,2,4,6,9,12,15,18,24 and 30 months then yearly for ages 3 through 20.

KBH medical screens include vision, hearing and dental assessment. The KBH screen follows the Early And Periodic Screening, Diagnostic and Treatment Guidelines and is considered an important tool in preventive health care and developmental screening.

Your child \_\_\_\_\_ is ready for a KAN Be Healthy physical. Please call to make an appointment.
